

VOTE

NO

On Amendment No-12
On Ballot Nov 3

The first of these monies goes to pay off old bonds; the remainder is credited to each county. Eighty percent is spent by State Road Department for roads in each county; 20% goes direct to counties.

Liberty County it is reported, receives \$9.53 for each secondary gas tax dollar contributed; Glades County \$5.59; Lafayette \$5.99; Sumter \$4.11.

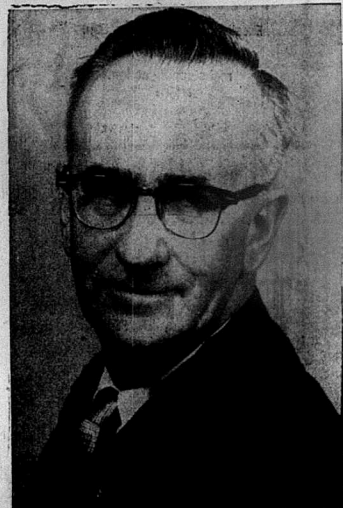

Hillsborough gets 40 cents, Dade 48 cents, Broward 51 cents; Orange 62 cents and Duval 65 cents — for each secondary gas dollar contributed.

Palm Beach County paid in \$490,231 during September, and has its share of \$148,000,038 held in escrow to await outcome of the Lake Okechobee steal by Glades, Hendry, Okeechobee and Martin.

A YES vote on Amendment 12 continues this inequitable distribution thru 2018 — only two counties receive just what they contribute; all others get too much or too little. VOTE NO on No. 12 Amendment.

Seven Counties — Dade, Broward, Duval, Hillsborough, Orange, Pinellas and Palm Beach, paid \$11,421,000 of Florida's September sales tax collection of \$18,564,000 — sixty counties are riding the "grave train."

Dist. Rotary Elects Nattie Taylor

Nattie Taylor, General Manager of Wedgworth's and 32-year resident of Belle Glade, was selected as Governor of Rotary for District 699 — at Boca Raton conference over the week-end. District 699 covers Florida's east coast, southward from Daytona.

Governor-elect Taylor has been a member of Belle Glade Rotary since 1939, and has served the Chair of its Club, including that of President in 1953, and has been active in District committee work.

As a delegate and attendant at five International Conventions, Nattie is acquainted with the working laisons from Club thru District and to International.

Bits O' Bissness

The spacious "penthouse" apartment going up rapidly atop Hollingsworth Shire Store on Avenue B will, when completed, be the new home for the Jack Hollingsworth family. "Lois is delighted with all the room we'll have," husband Jack confided. "We spend all our time at the store anyway, so it seemed like a good idea."

Florida National Bank was taking no chances on another broken window and were among the first business houses in town to be putting up storm shutters Wednesday, we noticed.

Most business houses had put down shutters, or boarded up by late afternoon.

E. A. McCabe, vice Pres. of Pioneer Growers returned Friday night from New York City where he attended the Pre-Pack, game Association's National Convention, of which he is a director, held at the Americana Hotel. Combining business with pleasure and Mrs. McCabe celebrated their 30th wedding anniversary.

Bratley Bleach Insurance office was doing a rush business, making new friends and pleasing their customers by handing out hurricane maps Wednesday. They have kept the area supplied with maps for a number of years.

Meet the folks at Glades Tire and Repair Shop! You'll find all their pictures on a full page inside this issue — and incidentally see what all they are offering you — next week!

Light Hearted Lions Sell Light Bulbs

The Light Hearted Lions Club members really went to town Tuesday night of this week when they sold over \$900.00 worth of light bulbs during the first week of their annual sale.

The Lions Club membership was divided into two crews and the winning crew, composed of Hedley Pott, Don Cook, Paul Goldman and Al Harris walked off with top sales when they turned in \$196 for one evening's work.

Proceeds from the sale of light bulbs goes towards many local projects that are helpful to the community.

Money from last years bulb sales enable the local Lions to furnish 12 pairs of glasses for needy children, \$250 donated to the West Care Day Center, Co-sponsorship of School Patrol Trip to Washington, D. C., sponsorship of Little League Team, co-sponsorship of the School Athletic Bus, co-sponsorship of the Jaycee Little League Ball-Park and \$31.80 Silver Dollar Awards to Summer Playground Fitness Program.

The present Police Force was re-elected by the Commission and the Mayor Henry Elfers was elected to serve as City Judge and the Vice Mayor, Cosby Crews, as the Associate.

Mayor Elfers assigned the following jobs to the Commission: City Clerk, Miss Joyce Parr; City Attorney, Claude Jones; City Administrator, W. E. Eggleston; City Treasurer, Miss Joyce Parr; Park Supervisor, Miss Myrtice Gilman; Public Works Supervisor, Max H. H. Building Inspector, Frank Willis; Tax Collector and Inspector, Miss Joyce Parr.

With Vice Mayor Kenneth Warren in the Chair, the newly established Commission elected Henry Elfers as Mayor.

The newly constituted commission which includes A. R. Grisby along with others given above, made the following appointments:

City Clerk, Miss Joyce Parr; City Attorney, Claude Jones; City Administrator, W. E. Eggleston; City Treasurer, Miss Joyce Parr; Park Supervisor, Miss Myrtice Gilman; Public Works Supervisor, Max H. H. Building Inspector, Frank Willis; Tax Collector and Inspector, Miss Joyce Parr.

'Cane Field Day Plans Changed By Hurricane Isbell

Hurricane Isbell disrupted scheduled plans for the second annual Sugarcane Field Day to be held at Everglades Experiment Station Thursday, October 15.

As the stormy gale moved toward land Wednesday, County Agent John H. Causey hurried himself canceling the well-planned event, and announced it will be postponed until Thursday, October 22.

Rogers To Speak At Annual Meeting Ev. Farm Bureau

The Everglades Farm Bureau's annual meeting and barbecue will be held at the Canal Point Community Center Saturday, Oct. 17 at 6:30 p. m.

Congressman Paul Rogers will be the main speaker and Rep. Emmett Robert will also participate among other invited guests.

Dr. Howard E. Hill, Veterinarian is president of the Bureau. During the business meeting, following a report by the nominating committee, officers for the new year will be named.

Delegates to the annual State Convention to be conducted in Orlando Nov. 15-18, will be announced at this meeting.

All Farm Bureau members and families are invited to attend. Between three and four hundred are expected including invited guests.

A great attraction will be the annual Talent Contest. The contestants will perform and the winner will be sent to compete in the state contest to be held in Orlando next month.

Registration Count Not Yet Completed

The Glades office of County Voter registration is still busy trying to sort out and record properly, the huge number of the names of people who flooded that office during the final week of voter registration.

According to Mrs. Mae Pope, assistant deputy voter registrar, it will take a week or maybe longer to come up with the exact number of voters registered in each precinct.

She stated the total voters registered for the coming election to be held November 3rd, is at an all time high for this area.

Rainfall

Week Ending Oct. 14
1.19 Inches

Lake Level

Week Ending Oct. 14
14.18 Feet

We pay seven cents tax on each gallon of gas.

The fifth and sixth cents are called "second gas tax," and are used for secondary road construction — in '63 US Public Roads says \$40,370,000.

This money is divided three ways — one-third on area, one-third on population, and one-third is based on each country's contribution to road construction thru 1931.

Politics Impede School Administration

Principal Paul Morris of Belle Glade High and Herman Close of the Belle Glade Junior High checking the "noes" of their respective schools to demonstrate.

WATCH ISBELL — SHE AINT NO LADY!

STAY INDOORS — if your own shelter is not safe — GO TO ONE OF THE PUBLIC SHELTERS. CITY HALL — ELEMENTARY SCHOOL — HIGH SCHOOL — LAKE SHORE ELEMENTARY AND HIGH SCHOOLS — OKEECHOBEE CENTER.

Carry blankets, and baby food, if necessary — Obey those in charge — Cooperate with everyone.

When hell comes — STAY IN DOORS, because she's going to hit you on the other side — STAY IN DOORS.

The Glades apparently is ready for Isbell, as business houses are boarded up and homes are being tightened.

The City — its Fire Department — the Police — the Sheriff's Department; the Civilian Defense and the RED CROSS DISASTER COMMITTEE have checked plans and are ready.

Medical service will be available and nurses will be on duty at the several shelters. But STAY INDOORS, till the storm has passed.

Shelters were opened at 5 P. M.

Be sure to check all previously arranged meetings, as they may be cancelled or postponed.

Senator Holland Is Visiting PB County Today

United States Senator, Spearhead L. Holland, will visit Palm Beach County on two separate occasions during the month of October, according to R. K. Kramer of West Palm Beach.

Florida's Senior Senator will be in the County on October 15th and again on October 20th.

Holland's itinerary on the 15th includes the following:

8 a. m. Featured speaker, Riviera Beach Chamber of Commerce meeting at the First Marine Bank, followed by a tour of Pratt & Whitney Aircraft facility on the Bee Line Highway.

Senator Holland will hold a news conference at the George Washington at 2 p. m. and then proceed to Boca Raton to visit Florida Atlantic University.

The Senator's complete itinerary on October 20th will be released shortly. At present, plans include a visit to the southern and western parts of the County and several stops in West Palm Beach, Kramer said.

Accreditation Hullabaloo Damaging To Public Confidence In The Board

A candidate for the position of Board Member secured a "confidential" memorandum from State Superintendent Bailey's office for study by the Palm Beach County School Board, and failed to properly interpret its significance. A county-wide discussion resulted, but the candidate's error and its correction, did not register with many people.

At a publicized meeting Monday night of the Junior-Senior High PTA, where the accreditation and the proposed bond issue were to be discussed, only 30 people showed up out of approximately 650.

The kettle boils on misinformation and lack of explanation by the School Board.

The Southern Association of Colleges and Secondary Schools throughout the south accept diplomas from these accredited high schools without examination.

All high schools in Palm Beach County now have those accreditation certificates.

The State Board annually makes a trial run on possible points that determine accreditation for the benefit of the schools in remedying deficiencies and making corrections.

In February these questionnaires were sent to each school and the rule of measurement had been considerably upgraded, for the benefit of the schools, and included elementary schools.

A "yes" and "no" card is filled out and a machine tabulates the results according to values assigned each question.

If Mary didn't brush her teeth before coming to school, the excuse she "uses Gleen," doesn't prevent a "no."

The Belle Glade Junior High School fields, there was no insurance on musical instruments of the Junior HI — there are no instruments nor a room for practice, but the musical department of the High School holds these classes.

The Junior High cafeteria was judged, but the students eat in the High School Cafeteria.

Requirements for high schools under the State's program, call for architectural and structural items that were not included in present buildings; designs for new buildings carry these.

School Administrators Pellon Morris and Herman Close say they and the teachers like the State's new program when it will have been made to reflect conditions, as it is its purpose.

Parent-Teachers' Conference Friday

Mr. Vince Marquis, assistant principal of Belle Glade High School, announced that despite Hurricane Isbell, plans will go ahead as scheduled for the Parent-Teachers conference at the school on Friday, from 8:30 a. m. until 3:00 p. m. A Student Council Member will be in front of the school to direct the parents to the desired rooms and teachers. All parents are urged to attend at some time during the day and visit with their child's teacher or teachers.

Richard M. Nixon Will Address Rally In Ft. Lauderdale

Former U. S. vice president Richard Nixon will arrive in Ft. Lauderdale at International airport at 3:45 p. m. Saturday, October 17, campaign headquarters for Goldwater informed The Herald Wednesday.

There will be a press conference at the airport for one hour prior to leaving for the Governor's Club Hotel where he had been staying in Ft. Lauderdale.

Annual C. C. Dinner To Be Held Nov. 24

The annual Belle Glade Chamber of Commerce dinner will be held the evening of November 24th, according to announcement made this week.

The affair will be held in the civic Center and plans are being made to accommodate between 150 and 200 people.

The full program and speaker of the evening will be announced at a later date.

Problems Confronting Glades Schools Aired At Meeting

Palm Beach County taxpayers have come to the 1988 in the county, when it comes to the school problem in the county.

This point was brought out Monday evening when the local PTA met in the school cafeteria to hear and discuss the problems and costs of the school bond issue that will come before the people Nov. 3rd.

Hirold Zumpho, PTA president, presided and after disposing of routine PTA matters and hearing reports on old business, brought out the question of non-accreditation of Junior High School in Belle Glade.

High School Principal, Pelen Morris, said this survey was made by the State of Florida and not by the Southern States School Association as in the past. The State standards are much bigger and all the accreditation was made by machines and not by man.

Questions are fed into these machines and the answers come out yes or no.

There were 340 no's registered against the Belle Glade Junior High School, 140 of these no's had to do with the building, (it is not completed), 95 no's related to the elementary school (the 4 & 7 grades are mixed in with Junior High students) 50 no's had to do with the J. H. program (music-band not in J. H. S. building) 39 no's due to lack of other facilities within J. H. S. building.

From statements made by those in the know, it was apparent the buildings and facilities now occupied by J. H. S. in Belle Glade, are not completed and the J. H. S. program cannot be carried out in full until they are. According to one speaker, this depends upon money made available for this purpose and the way things look, may be several years before this can be accomplished.

Energy And Dynamic Personality Success Key To Staged Production

"Gunny" (Mrs. Spider) Lindrose is checking programs with Director Phillip Frable of the "Glades Follies of '84". Mrs. Lindrose has handled the program being issued by the Sor-

often we read of hit musicals and other staged productions, but not often enough do we credit given to those who have charge of these productions.

The Beta Sigma Phi Sorority of Belle Glade is presenting the "Glades Follies of 1984," this Oct. 15-17 directed by Mr. Phillip Frable, of John H. Carrell, Inc. New York. Current time is 8:15 at Belle Glade High School Auditorium.

Mr. Frable, or "Phil" as he is known to his many friends, is a native of Olean, New York. He has a dynamic personality, never seeming to tire in his efforts to produce a great show. He studied at St. Bonaventure University, and also Television Workshop of New York-TV Production.

For a year and a half, he was with the Arden Francis Home Show Films for TV Commercials. He has nine years experience behind him, directing shows for both the Rogers Company of Fort St. John, and Jerome H. Carrell Producing Organization, of New York, Carrell.

Wounds Fatal To Nite Buglar

Belle Glade surprised two suspected burglars last Saturday night when one of them was fatally shot as he walked out of the store with an armful of merchandise. When ordered to halt, he charged straight at the officer and it was then he was shot. However, he continued to run and it was some time later that he was found dead.

The second suspect was picked up about 3 hours later. He was charged with breaking and entering and Monday he waived preliminary hearing before Magistrate Court Judge James L. Tyson, Jr., and is being held on \$2,000 bail at the county jail.

The Belle Glade police received a tip that some one was in Pool's Grocery at 12:58 a. m. Police Sergeant Edward J. Chisholm and Sergeant William Higgins were sent to investigate. Upon arriving at the store, one of the two men inside ran out of a side door. He was identified later as William (Red) Ivey, 28. He evaded the policemen for a short time before being picked up.

Sergeant Chisholm was returning to the store just as the second suspect was seen coming out of the door, loaded with bags of groceries and merchandise. Chisholm ordered the man to stop, but he ran straight at the officer, throwing the bags and the officer shot one time. However the burglar fled into the darkness.

Reinforced police began a thorough search of the area and some time later found and identified the body of Robert (Black Beaver) Hadley, 31, as the man who was seen coming out of the store at time of shooting.

Police Chief Charles D. Goodlett said this was the first time in 18 years that a local policeman had shot and killed anyone. However Belle Glade Police and the County Sheriff's Department are continuing to investigate all angles of the shooting.

BG Women Lose In County Golf

The Palm Beach County Golf League began the fall series of play Monday. Belle Glade lost to West Palm Beach 9 1/2 to 2 1/2 on the West Palm Beach course. Lake Worth was 9 1/2 to 2 1/2 to have won over North Palm Beach 28-8.

Others playing in the League are Delray Beach and Palm Beach National. The Belle Glade Golfers have been playing on other courses mostly due to the re-seeding of the greens on the local course. They will play the fall series away. Next Monday they will play Palm Beach National on their course.

FHP Announces Time For Driver's License Exams

Area Women To Attend Catholic Deanery Meeting October 22

Mrs. Julius Demko of Lake Park, President of the East Coast Diocese, Miami Diocesan Council of Catholic Women, has announced completed plans for the Fall meeting to be held October 22nd, at Tropical Acres Restaurant in Delray Beach, Hottel Plaza, St. Vincent, Terrace Alar Riosy Society.

Registration and office at 8:30 at Tropical Acres with morning session starting at 9 will include a program entitled "The Human Family" with four Deanery panels taking part.

Mrs. H. P. Cartwright, West Palm Beach - Spiritual Development.

Mrs. Mary Steele, Boca Raton - Marian School for Handicapped Children.

Mrs. Seth Ford, North Palm Beach - Catholic Charities.

Mrs. Robert D'Amore, Boca Raton - Foreign Relief.

Guest speaker for the morning period is Fr. John T. Murray, S. J. His topic will be on "Human Rights." Discussion will follow the panel and the talk.

Mass will be celebrated at 11:30 at St. Vincent. Reverend Bernard J. McGowan, C. P. of Our Lady of Mount Carmel, will be officiating. He will be reviewing his latest book, "You Way To God."

Mrs. Thomas F. Palmer, Cathedral Parish in Miami, President of the Miami Diocesan Council of Catholic Women, and Very Reverend Bernard J. McGowan, V. P. of St. Julian's Parish in West Palm Beach, Deanery Moderator, will be special guests for the day.

Mrs. Joseph I. Schroeder, Jr. of Boynton Beach, Reservations Chairman, reminds all members of the reservations deadline October 19th.

At South Bay

First Baptist Church Homecoming Services To Be Conducted Sunday

The First Baptist Church of South Bay plans Homecoming Services and Special Revival Emphasis on Sunday, October 18th.

The Evangelist, Rev. Junius E. Foster will be the Homecoming Speaker as well as the Evangelist for the Sunday Services. Rev. Foster was the Homecoming Speaker-Evangelist some three years ago.

Dinner will be served in the Educational Building after the Morning Worship Service held at 11:00 P. M. All former members and friends of the church are given a special invitation to attend the services and the dinner hour. All members of the church are requested to be present for the services on Sunday and to bring enough food for your family plus a couple more which may be guests of the church at this homecoming.

Revival services will continue through the Sunday. Service which will begin at 7:45 P. M. and Training Union for all at 6:30 P. M.

"Christ And The Life Within" Topic Of Wesleyan Service Guild

The regular meeting of the Wesleyan Service Guild of the Community Methodist Church was conducted in the church parlor at 8 p. m. Tuesday.

Mrs. Nina Wallis, president, called the meeting to order. Announcement was made of the Spiritual Retreat to be held at the Holiday Inn, Lake Worth, Nov. 7-8. Officers were reminded to get all reports completed to be mailed in by Nov. 1, and the budget for 1964-1965 was accepted.

Three new members were added to the Guild, Mrs. Lois Hollingsworth, Mrs. Sarah Van Landingham and Mrs. Fern Ragon. Fourteen members were present.

Miss Vida Hargrave was in charge of the program, and the worship center was arranged by Miss Sara Lopez-Garcia.

The meeting ended with prayer, fellowship and refreshments. Devotions were Mrs. Mary Alma Stevenson and Mrs. Evelyn Johnson.

Read Psalm 8; Acts 16: 25-34

At midnight Paul and Silas prayed, and sang praises unto God; and the prisoners heard them. (Acts 16:25).

A Gentleman visiting a hospital for lepers praised the nurse who was accompanying him for her humanitarian sentiments in resigning herself to care for the patients there.

"I don't know how far my sentiments go," she replied, "I can assure you that before I knew Christ, my humanitarian sentiments, which have kept me here a week. It is the love of Christ which constrains me. He found me and made of me what I am today. I could not do anything else after I realized how much He loved me."

Paul and Silas in prison, with their feet in chains, sang hymns of praise to God at midnight; and God blessed them and their work.

In the work we do, are we expressing our gratitude to the Lord for His marvelous saving grace?

PRAYER: Blessed Lord, we praise Thee for the immense joy we feel when our lives are touched by sweet communion with Thee. We give Thee our thanks, because through Thy mercy we are saved from evil and constrained to do good. In Thy name, Amen.

THOUGHT FOR THE DAY

Who am I that God should have remembrance of me? - Nicolas Chupko Pyez (Dominican Republic)

Presbyterian Women Attend Annual Meeting In Miami Springs Oct. 13

Women of Presbyterian Church attended the tenth annual meeting of the Presbyterian of the Everglades, Synod of Florida, Tuesday, Oct. 13 held at Miami Springs at The First Presbyterian Church.

The theme of the meeting was "The Living Word, and Our Life Today."

The meeting was called to order by Mrs. O. L. Little, president of Women of Church of the Everglades. Introductions of officers in the following areas:

1. The ministry of Laity; 2. The Laity of Thinking of Others; 3. The Laity Called to Serve; 4. The Laity of observing and participating; 5. The ministry of the Laity in Districts; 6. The Laity Working at Home and Abroad.

Luncheon was served by the hostess church.

After luncheon reports of various committees were heard, followed by installation of officers for coming year.

Representing the Women of the Everglades Presbyterian Church, Belle Glade were Mrs. R. L. Murray, Mrs. I. L. Price, Mrs. G. E. Crisfield and Mrs. C. D. McCrue.

St. Elizabeth's Guild To Meet Wednesday A. M.

St. Elizabeth's Guild of St. John Apostolic Episcopal Church will hold its regular monthly meeting at the home of Mrs. James Winchester, 18 N. W. Ave. 1 at 10 a. m., Wednesday, Oct. 21.

All members are urged to attend this important meeting as the meeting is held for the purpose of discussing and making plans for the annual Turkey Dinner and Bazaar.

Everyone is also reminded to bring used clothing for the mission at Sherwood, Tenn.

Church of God Revival Oct. 16-21

Rev. Ralph Morton, well known evangelist in the area having conducted three tent revivals in previous years in Belle Glade will be at the Belle Glade Church of God beginning Friday, Oct. 16 for six nights ending Wednesday, Oct. 21.

Pastor Madison W. Sindle extends an invitation to all to attend the revival.

Because of the revival, the usual chicken dinners the church serves every two weeks will be postponed until Sat. Oct. 24.

Golf Course Work Nearing Finish

The City Commission took a long look at the proposal by City Manager Tervis H. Hucley that the recently remodeled clubhouse at the Municipal Golf Course be leased to an independent operator.

At least five persons, one a local resident, have indicated an interest in leasing the facility.

The remodeling work is now entering the final stages, and when completed the clubhouse will be one of the finest in the state.

City Manager Hucley said he will bring the matter before the commission again so the members can give it some study prior to official action.

Golf course membership fees may also come up for realignment. The annual membership fee now is \$50.00 for a individual and \$100.00 for a family.

Glades Road Needs Must No Longer Be Ignored

After learning of the latest Glades road fatality, James Maynor, Democratic candidate for the House of Representatives, Group 3, told his campaign committee that the time has now come when the people in the western part of the county called the Glades area can no longer be ignored in their road needs. Maynor said the roads in and out of this area should be called "Death Alley."

The people of the Glades made a tremendous contribution to the economic wealth of this county, and are as much a part of the county as any other area.

He explained that pressure must be brought to bear on the next Legislature and the State Road Department to build adequate roads with acceptable standards for the types of vehicles that will be using the roads.

He pledged to work toward accomplishment of this with

Fla's MDT Program Speeded Up In '64

That Governmental control of labor is gaining momentum, is indicated by a report on MDTA activities.

There were 63 MDTA projects approved for 3,553 unemployed or under-employed workers by July 1 in Florida, representing a greater than 50 percent increase over 1963 when 36 projects for 1,850 persons had been approved.

Training in some 32 occupational jobs designed to provide trainees with a new skill for today's job market had been approved by July 1.

Secretary Wirtz said that \$3,318,982 in Federal funds have been allocated to the State for MDTA training projects. Of all persons approved for the program, the Florida total comprised 1.7 percent. Some 1.6 percent of available funds under the Act have been spent in the State.

every resource at his command if elected to the State Legislature in November.

QUICKIE RECIPE OF THE WEEK

Crispy Croissants
Buttered croissants are a tasty garnish for cream soups. To make, fry bread cube slowly in butter until they are crisp and golden brown, stirring occasionally.

Patricia Keene To Wed Lloyd Hundley

PATRICIA ANN KEENE

The engagement of Miss Patricia Ann Keene to John Lloyd Hundley is announced by her parents, Mr. and Mrs. Leland G. Keene, 138 S. Flame Ave., Pahokee.

Mr. Hundley is the son of Mr. and Mrs. Lloyd A. Hundley, 1251 Bacon Point Rd., Pahokee.

The bride-elect is the granddaughter of Mrs. A. B. Barnes of South Bay and the late Mr. Barnes and of Mrs. Anna B. Keene of Winter Park former Pahokee on December 27.

Mrs. Montalvo Offers Own Composition

Mrs. Cora Montalvo, a Belle Glade resident for two years, and a member of Beta Xi Chapter of Beta Sigma Phi, has consented to give several musical numbers, in the Follies of '64 accompanying herself on the guitar.

Her first number will be Tropical Breeze, her own composition; another number will be a Polypouri.

Members Of Cast Observe Other Parts

Mayor LeBron Williams and Eddie Jones, together with Mr. and Mrs. Ronald Cameron enjoy the performance of other members, as they await turn.

The lady in the rear left home before she had completed her costume.

Personal Notes

Mr. John Rogers, new office manager, for Lake Shore Growers recently took over his work for the season. He has been residing in Miami for about three years where he was employed by Leonard Bros. Trucking Co. Before going to Miami he was chief clerk at Lakeshore. Mrs. Rogers and children Alan Mary Lee and Susan Lynn, will be joining Mr. Rogers here about the last of the month, when their new home in Sugarland Heights is completed.

Mr. and Mrs. Harold Rabin and her nephew and niece, Mr. and Mrs. Bobby Smith and daughter Susan spent the week end in West Palm Beach with the Rabin's son-in-law and daughter, Mr. and Mrs. Arthur Levy. Joining the family group were Linda Rabin, student at University of Miami and Marilyn Rabin, student at Palm Beach Junior College.

Mr. and Mrs. Joe Friedheim have returned home after having a good visit with their son and daughter, Mr. and Mrs. Jack Moore and children in Brunswick, Ga. Enroute they stopped over in Jacksonville at the home of Mr. and Mrs. Joseph Marie and coming back visited their son and wife, Mr. and Mrs. Louis Friedheim at Gainesville.

Mrs. B. N. Forrest flew to Murphreeboro, Tenn., for a few days, visited last week with her son and daughter-in-law, Mr. and Mrs. Randy Forrest and two children.

Mrs. Rosa V. Cook visited for several days in Lake Wales with relatives.

Mrs. J. W. Day and daughter, Sharon, accompanied by Mrs. Day's sister, Mrs. J. L. Walldrop, of Winter Haven, Florida, have been visiting relatives and friends in Greenville, Florida. They were accompanied back to Belle Glade by Mrs. Day's mother-in-law, Mrs. Ruth Day, of Greenville, Florida, who will spend some time with her son and family.

Mrs. Doug Matthews is doing nicely after having surgery at Good Samaritan Hospital last Thursday.

Mrs. Jane Rashley is recuperating and getting along fine since coming home from Everglades Memorial Hospital, Pahokee more than two weeks ago after having surgery. She is still not able to return to work.

Mr. and Mrs. J. Marvin Unwin and children, Deborah and Jimmy, spent the weekend at the Boca Raton Hotel, where Mr. Unwin attended the District Rotary Convention.

Dr. and Mrs. Robert J. Allen and son Bobby, were weekend guests in Lakeland of Mrs. Allen's uncle and aunt, Mr. and Mrs. W. B. Gregory.

Mr. A. Paul Davidson, Sr., is a patient at Lakeland General Hospital, where he underwent surgery last week. He is reported recuperating nicely.

Herman and Carl Close left Tuesday afternoon to attend services for their brother, Frank A. Close, at Fairbluff, N. C., on Wednesday at 3 p. m. He passed away Monday night after an extended illness.

Mrs. Love Feted At Stork Shower

Pink and blue were the colors used at the stork shower commencing Mrs. Billy Love held at the First Baptist Church social hall.

Hostesses for the event were Mrs. Pearl Webster, Mrs. Aline McAllister, Mrs. Laura Lee, Mrs. Ann Millington, Mrs. Patsy Hawkins, Mrs. Myrtle Fuller, Mrs. Eva Kruse, and Mrs. Carolyn Grindstaff.

Entertainment included games and prizes winners were Mrs. Mias Murray and Mrs. Jean Penel.

The table covered with a pink cloth held a crystal punch bowl and the cake was decorated with pink and blue booties, with a stork looking on. A stork was also suspended over the gift table.

Twenty-two guests were present.

Beta Xi Chapter Hears Interesting Programs

Two interesting programs were presented at the regular meeting of the Beta Xi Chapter of Beta Sigma Phi on Oct. 8 at the home of Mrs. John Grady on S. E. Third St.

Mrs. Ronald Cameron presented the program on "Poise and Charm" and Mrs. Jimmy Doyle talked about "Giving and Receiving Friendship." Mrs. Howard Hill, President, presided.

During the social hour, Mrs. Grady took the guests on a tour of her lovely new home.

Others present were Mrs. Peter LaChance, Mrs. Edward Montalvo, Mrs. William B. Rhodes, Mrs. Harold Gilbert, Mrs. Roy Brown, Mrs. Sam Knight, Mrs. William Miller, Mrs. Davis Kiehligher, Mrs. Terry Miller, Mrs. Douglas Lee, Mrs. Carl Waggoner, Mrs. Alfred Wehre, Jr.

Sorority Chapter Has Luau Party

The home of Mr. and Mrs. S. D. Knight, decorated with hibiscus, and banana leaves was the scene of a Luau Party recently.

The guests in colorful Hawaiian costumes enjoyed dancing and delicious Polynesian dishes.

Attending were Mr. and Mrs. Terry Miller, Mr. and Mrs. Alvaro Sanchez, Dr. and Mrs. John Grady, Mr. and Mrs. Ronald Cameron, Mr. and Mrs. Pete LaChance, Mr. and Mrs. Doug Lee, Mr. and Mrs. Carl Waggoner, Mr. and Mrs. Howard Hill, Mr. and Mrs. Jimmy Miller, Mr. and Mrs. William Miller, Mr. and Mrs. William B. Rhodes, Dr. and Mrs. Roy Brown, Mr. and Mrs. Gerald McKee, Mr. and Mrs. Alfred Wehre, Jr.

Armella Browne And Robert Stuke United In Doubling Ceremony

In a double ring ceremony at the United Presbyterian Church, Palm Beach Gardens, Friday, Oct. 2, Miss Armella Rae Browne of West Palm Beach and the bride of Robert C. Stuke of West Palm Beach.

The bride is the daughter of Mr. and Mrs. Ray M. Browne, West Lake Rd., Belle Glade. The bridegroom is the son of Carl W. Stuke, 1321 Washington St., Evanston, Illinois.

Rev. Stanley Anderson, minister performed the 4 p. m. ceremony before an altar flanked with two pedestal baskets of white carnations and white gladioli. Mrs. Mae McCabe, organist played the traditional wedding march.

Given in marriage by her father, the bride wore an Italian white wool knit suit accented with silk braid on the jacket, with white accessories. Her short veil of illusion was attached to a white pill box hat and she carried a bouquet of white carnations and baby pink roses.

Mrs. George Link, Jr., was matron of honor. She wore a white lace suit lined with pink silk taffeta, with matching accessories and a white hat, and she carried a bouquet of white carnations and baby pink roses.

Mr. John Varick was best man and Mr. B. Dudley Cole, III was usher.

For her daughter's wedding, Mrs. Browne wore a pale pink ribbon knit sheath dress with blue accessories and white carnations. Mrs. J. F. Browne, grandmother of the bride wore a blue shantung sheath with blue lace jacket, white accessories and a white carnation corsage.

Following the ceremony the reception was given at the Y. W. C. A. by the Board of Directors. Bride's cake and punch was served.

Out of town guests were Mr. and Mrs. Roy Minter, uncle and aunt of the bride, from Coral Gables, Mrs. Thaine Richardson and Mrs. Reba Browne sisters of the bride, Mr. and Mrs. Ray Browne and Mrs. J. F. Browne, all of Belle Glade.

The couple spent their honeymoon at the Ocean view Hotel, South Palm Beach, and are making their home in West Palm Beach.

Mrs. Stuke is formerly of Belle Glade, a graduate of Belle Glade High School and a student of Palm Beach Junior College. She has been a resident of West Palm Beach for eight years and has been director of Health, Physical Education and Recreation for the Y. W. C. A. for the past six years. She is a member of the Palm Beach Fin Divers Club.

Mr. Stuke formerly of Chicago has resided in West Lake since 1946; is a graduate of Lake Worth High School and Florida State University. He is a member of the Insurance

Bregger-Mark Engagement Announced

MISS EMILY BREGGER

Mrs. Thomas Bregger, 8 N. W. Ave., E. Belle Glade announced the engagement of her daughter, Emily, of Seattle, Washington, to Theodore N. Mark, M. D. son of Dr. Robert A. Mark, Queens Village, N. Y.

The bride-elect is a graduate of Belle Glade High School, attended Florida State University, graduated from the Children's Hospital, Boston, Mass., and later the University of Washington. She has worked in Seattle since 1950 and is employed by the Seattle-King County Health Dept.

The bridegroom-elect is a graduate of University of Vir-

Rams Start Win Streak By 20-7 Over Riviera

The Belle Glade Rams High School football team hit their winning stride last week and rolled over the Riviera Beach Hornets 20 to 7.

The Rams showed they meant business right from the start and it took them only 9 plays to score the first time they had the ball.

Holt hit pay dirt after a hand off from Latour.

THANK YOU

The family of Henry C. Bair would like to thank the members of the First Baptist Church, Church of Christ, Fire Dept., American Legion Aux., neighbors and all our many friends for their expressions of sympathy, prayers, food, telephone calls and acts of kindness. A special thanks to Spotty Burr for his assistance during Dad's short illness. No words can express the appreciation we all feel.

Mr. Howard E. Bair and family
Mr. Cecil Bair
Mrs. Jane Rashley and family

The Hornets were unable to make any headway and had to kick but a pichenut by the Rams, failed to click and was picked off by a visitor who raced all the way to the Belle Glade two yard line and Riviera Beach scored two plays later.

Early in the second quarter the Rams blocked a Hornet punt and John Spomer, a star, scooped up the ball and ran 32 yards for the second Ram tally, making the score 14 to 7 at the half.

The second half opened with neither team able to move the ball but after an exchange of fumbles the Belle Glade boys again hit their stride and marched 57 yards and scored their touchdown of the evening. The try for extra point failed, making the score 20 to 7.

Belle Glade had 16 first downs to the visitors 9 and rolled up 253 yards in rushing to the visitors 172. The Rams completed 2 passes out of 3 attempts, good for only 5 yards, while Riviera Beach completed 5 out of 10 for 54 yards.

Belle Glade lost the ball one time by fumble while Riviera Beach lost the ball twice on fumbles.

Final score Belle Glade 20 to Riviera Beach 7.

Page 6 THE HERALD, Belle Glade, Florida OCT. 15, 1964

Suncoast Roundup

With Vero Beach, nearly everyone's pre-season favorite, apparently eliminated, the Suncoast Conference football race belongs to schools in the Palm Beaches.

The Indians, co-champions with Belle Glade last year, suffered their second loss last Friday, 20-6 at Forest Hill. The Falcons and Palm Beach currently share the lead with four victories each.

Palm Beach has the opportunity to take a half-game lead

in the chase this week. The Wildcats, however, have a tough assignment with third place Seacrest (10-1) in West Palm Beach Friday night.

Forest Hill plays its non-conference game Saturday night against intra-city rival Cardinal Newman at Cooley Stadium in West Palm Beach.

The conference schedule opens Thursday night when Lake Worth, still in the running with a 3-1 conference record, travels to Vero Beach. Other conference games Friday are Stuart at Fort Pierce and Riviera Beach at Pahokee. Belle Glade plays non-conference rival Clewiston at home.

Seacrest has had two weeks to get ready for the Wildcats. The Seahawks played a scoreless tie with Riviera Beach in their opener and beat Stuart 13-0 on October 2. This will be their first meeting with some of the conference.

Palm Beach, held for a half by a stiff Stuart defense, finally wore down the undermanned Trojans in the second half for a 14-0 victory last week.

Forest Hill again used the strong arms and legs of quarterback & Ricky Rhodes in beating Vero Beach. Rhodes broke a 5-6 halftime tie with a 30-yard scoring pass to Bob Bridges in the third quarter and ran 19 yards for an insurance touchdown in the fourth period.

In other conference games, Belle Glade trimmed Riviera Beach 20-7 and Lake Worth sent out Pahokee 17-0. Fort Pierce traveled to Mt. Vernon and suffered a severe 40-6 thrashing. The victory for Belle Glade was its first in four games since reaction. Riviera Beach has yet to win, but gets another chance this week again at Pahokee, winless in four starts.

Rhodes and Palm Beach's Buddy Vaughn continue to share the conference scoring lead with 30 points apiece. Each made a touchdown last Friday. Vero's John Langitt is third with 24 points, while four others have 18 each.

League Standing

	W	L	T
Forest Hill	4	0	0
Palm Beach	4	0	0
Seacrest	1	0	1
Lake Worth	3	1	0

Ten Commandments Of Hunting

To prepare hunters for the hunting season ahead, Ray Pettis, safety specialist with the Florida Agricultural Extension Service, passes on his ten commandments of hunting.

The hunter who abides by these rules should experience a safe and successful season. Pettis says hunters should remember that a rifle or shotgun is essentially an instrument of death. More people are accidentally killed by firearms in and around the home more than on hunting trips.

Pettis' suggested rules for hunters:

1. Treat every gun as though it were loaded. Out in the field, satisfy yourself that it is not.
2. Unload your gun when you leave it unattended, or before you put it away.
3. Store your gun under lock and key.
4. Unload all guns before getting into a car or coming into your home camp.
5. Carry your gun in such a way that you can control the muzzle at all times.

Check your gun to see that the barrel is clear — and check the ammunition to see that it is the correct size.

Jr. Varsity Tops Stuart By 20 To 0

The Belle Glade Junior Varsity team came up with a strong defense last Thursday evening in their game with Stuart JV's and went on to score an impressive 20 to 0 win.

From the opening kickoff to Stuart, it was apparent the visitors were in for a rough evening. The Belle Glade defense was outstanding and time and again forced Stuart to give up the ball.

In the first quarter the Junior Rams offense rolled up three first downs the first time they had the ball. They set it on a fumble, but after three plays had it back again. Another drive, climaxed by a pass, Williams to Markham was good for 26 yards and a touchdown. Ronnie Gerry ran the extra point, making the score 7 to 0 at the end of the first quarter.

Shortly after the 2nd quarter started, Belle Glade recovered a Stuart fumble on the 12 yard line and another pass, this time Williams to Fred Miller resulted in the second touchdown, but the try for extra point failed and the score was 13 to nothing. After an exchange of punts the Belle Glade boys marched 80 some yards and were on the one yard line as the half ended.

Early in the third quarter Williams again hit Markham, this time with a 23 yard pass that resulted in the third touchdown of the evening. Jorge Rodriguez went over for the extra point, making the score 20 to 0.

At this point the entire second team went in for Belle Glade. Stuart found them about as tough as the first string and neither team scored in the final quarter.

Final score — Belle Glade 20 Stuart 0.

4-H News

GOLDEN RAMS 4-H meeting began at 7:50 in the Lutheran Church. Two new members joined at the October 12 meeting.

A motion was made to have a party at John Kiddier's house on Nov. 7 from 7 to 11 p. m. The motion was referred to the committee.

Committee chairman, Jerry Nohles, John Kiddier, John Spomer, Jimmy Baker, Jack Payne; Sub Committee, chairman, Bobby Burns; Drew Payne; Ross Payne, Randy Fears and Gary Motes.

Announcement was made the boys would receive their Parliamentary Procedure trophy on Nov. 30.

The meeting then closed with songs. By Reporter Drew Payne.

4-H Gator News

President Terry Priest called the meeting to order and Carol Priest, secretary, called the roll and read the minutes of the last meeting. Melinda Chaney read the scripture from the Bible and the group repeated the 4-H pledge.

After the meeting was dismissed by the president the girls who brought their cloth began sewing. We divided up into two groups to see which one can finish making their dresses and also the most demonstrations.

—Reporter Nancy Wierengo.

Gladeston League

Kirchman Company in first place with 8 points, Wallis Pharmacy and Oyster Hauling Co. tied for 2nd with 7 points. Remondo Sol, Inc. 6. High team set 2094 was won by Wallis and high team game 775 by Kirchman. Having individual high sets and games were Sandra McMullen, 202; C. Tittsworth 187; Alice Mixson 191, 179, 498; Ann LaFayette 190, 520; Dot Graber 177.

AD BOWLING — — — —

We have a tie for 1st place between Everglades Federal and Ina's Beauty Shop, with each having 12 wins and four losses. R. E. Watson Farms is next with 10 wins and 6 losses. Ina's Beauty Shop rolled high team set of 2160 followed by Everglades Federal with 2030 and R. E. Watson with 1991. Ina's Beauty Shop also won high team game of 749.

In individual scores Nona Pinegar rolled 512-182. Other high set and games were Belle Burch 480-191; Carol Waldron, 464-167; and Sandra Walker 457-172. Sandra again had the most power her average with 112. Her teammate Nona Pinegar had 83 pins over her average.

BOY SCOUT ACTIVITIES

Explorer Post At Lake Istokpoga

Explorer Post 612 left Saturday a.m. Oct. 3, for a weekend at Lake Istokpoga. Despite an away football game the night before, we managed to leave shortly after 8:00 a.m. Our destination lay 30 miles north of Okeechobee on Highway 98.

According to our plans we were to stay in our advisors' cabin. No one really realized what this meant until we got there! We were "really roughing it!"

Maurice M. Bailey Buried In Alabama

Maurice Mackey Bailey 46, of South Bay died unexpectedly early Sunday morning at the Glades General Hospital.

He came to Lake Harbor more than 25 years ago from Centre, Ala. He and his brother, William, were in the grocery business. He married Miss Muriel Merriam of Lake Harbor in 1944. Two children, Donald and Margaret were born to this union. After losing their store by fire they moved to South Bay and opened Bailey Brothers Grocery, which they still operated at the time of Maurice's death.

Others surviving Mr. Bailey are his mother, Mrs. Mozelle Bailey, Cedar Bluff, Ala.; Bros. Gilbert Bailey, and James Bailey of Cedar Bluff, Ala.; Sisters Mrs. Mae Adrian, Mrs. Myrtle Pearson, Mrs. Mary Oliver, Mrs. Margie Bartlett, Mrs. Ruth Johnson, Mrs. Dorothy Chambers, and Miss Martha Bailey all of Cedar Bluff, Ala.

Services were at 11:00 A.M. Monday at Williams Funeral Home, Belle Glade with Rev. J. O. Jameson in charge. Pallbearers were Mr. Marvin Lee, Lake Harbor, Mr. J. C. Bowen, Mr. O'Neil Walker, Mr. Lester Boring, Mr. Edison Robertson, and Mr. Clayton Waters of South Bay.

Burial was in Centre, Ala., Wednesday at 2:00 p.m. Perry's Funeral Home, Centre, Ala., had charge of arrangements there.

Mrs. Maurice Bailey and children, Donald and Margaret, Mr. William Bailey, and Mrs. Bailey's mother, Mrs. H. D. Merriam traveled to Cedar Bluff, Ala., to attend the services.

CUB SCOUT PACK MEETING OCT. 24

Pack 622 Cub Scouts will meet on Saturday night, Oct. 24, instead of the regular meeting night on Friday, Oct. 23, in order that those wishing to may attend the football game at Stuart.

Den 6 will put on a skit

LAKE HARBOR NOTES

By W. S. C. S. — WY 6-2273

Little Miss Kim Robertson of West Palm Beach spent the past week-end with her grandparents, Mr. and Mrs. Frank Robertson, Mr. and Mrs. Andy Jaslowksi and Cheryl of Lantana spent Sunday with Mr. and Mrs. Y. E. Smith.

Mr. Joe Crouch spent Saturday in West Palm Beach on business.

Mrs. Ollie Bachelor of Pahokee is visiting Mrs. Jake Newman this week.

Mrs. J. A. Henderson spent the weekend in Naples with Mr. and Mrs. Gene Henderson and family.

Mrs. Mary Davis of Miami spent Sunday night with her mother, Mrs. H. D. Merriam and attended the funeral of her brother-in-law, Mr. Maurice Bailey, Monday morning.

Mr. and Mrs. Mack Robertson and son, Scott spent Sunday with Mr. Robertson's parents, Mr. and Mrs. Frank Robertson.

Little Miss Kim Robertson returned home with her parents, to West Palm Beach.

Mr. and Mrs. J. B. Lytle and Linda of Cocoa spent the weekend with Mr. and Mrs. C. H. Pope.

Rev. and Mrs. Jameson visited Mrs. Jameson's sister, Mrs. E. W. Wickens, in Sebastian on Tuesday, and on Friday and Saturday were guests of their daughter, Mrs. L. O. Payne and family in Homestead.

Mr. and Mrs. Tony McCranie of Belle Glade visited with Mr. and Mrs. C. A. Revels Thursday.

Mr. and Mrs. Ted Blausner visited in Miami Beach Saturday

NEW!

Now a "DO-IT-YOURSELF" **SUSPENDED CEILING**

... so easy to install, plus the fashion feature of—

wood-grained, WALNUT finished metal beams!

With TRANSLUCENT or opaque fiber glass panels, the walnut grained beams are especially attractive with wood paneled walls! Quick glamour for old rooms or new—Florida rooms, kitchens, remodeled carports, living rooms. You can do it—

... follow these three easy steps:

Only Lindsley yards offer this new easy-to-install suspended ceiling system!

WALNUT-GRAINED METAL GRID BEAMS

ONLY **25¢** RUN. FOOT

3x3-FOOT FIBER GLASS PANELS

as low as **24¢** EACH

Save **\$3.00!** The Beautiful "SURFSIDE" ENTRANCE DOOR

The focal-point of your home is the entrance... which, when graced with the beautiful "Surfside" door, accents a tone of charm and speaks a word of quality. What an elegant way to add "home personality"! Yours will be so different from others who just have plain doors!

SIZE: 6-FT. by 6-FT. 9 IN., 1 1/2 IN. THICK
Reg. \$36.85
\$33.85

OPEN SAT. 'til 5:30

Now give your rooms the modern look with **Tapestry-textured VINYL**

Rose Beige **Folding Doors**

for any doorway up to 34x80-inch

● For long-term, HEAVY DUTY vinyl, with tear resistant

● Textured by embossing to give soft ROSE-BEIGE color fabric appearance!

● Electrically welded seams—no seams threads to weaken door, so easy to clean with a damp cloth

● Operates so SMOOTH—has matching plastic track with vinyl carriers.

● Weighed to insure straight hanging panels

● Matching plastic handle

● All hardware included

● Easy for you to install

\$5.98 Value!

577 EACH

Never run out of gas! **PORTABLE PUMP**

I Am The Great: - I Am

We believe that the Average Man still has confidence in fair treatment before two strictly government agencies — the Grand Jury System, and the FBI, headed by Edgar Hoover.

There are two men high in public life today whose publicized viewpoint on the American Way of Life run parallel, but on lives apart.

One has a record of decisions from our Supreme Court that violate legal precedents, and century old customs of worship of Deity, when the Court's majority have admitted influence of secular and non-legal writing in its decisions.

One, as Chief Justice, has affirmatively supported liberal ideas in restricting Communists (overthrow of government) and has helped a TENDENCY to barrel into disrespect for the Court, law and order.

The Chief Justice is a product of political influence, and has apparently carried his early teachings into decisions that disregard legal precedent and American Customs, for the sake of political expediency.

The second man, an attorney by education, and Director of the World's most highly regarded scientific crime detection organization, is the plague of Communist activities on the Continent. Evidence gathered by this man's direction has been presented to the highest court, pointing violation of our laws and activities leading to the overthrow of our government — loudly proclaimed — "Our Highest Court has said 'let them go, they have that right.'"

Now comes this Chief Justice, heading a political plan to ride an assassination for its publicity value, presuming to say to the American Public: "There are things you're too young to know" about the assassination, in the same spirit that he has displayed when he put the century of work of the US Supreme Court, — "I am the Great I am."

The public expected such action from his part, according to previous practices. But, when he attacks the FBI and Edgar Hoover, we say "Beware."

The Court has flaunted observance of a Deity, it has rendered "soft" decisions on Communism, and now attempts to tear down one of the two governmental agencies respected by the public — the FBI.

There is left ONE governmental function, in addition to the FBI in which the Public generally has confidence remaining: That's the Grand Jury System.

When and if the Supreme Court gets a whack at the Grand Jury System, we have no doubt it will declare that archaic.

We have only the hope that old age will make room for some YOUNGERS on the Supreme Court Bench — we hope the appointing Agency has no particular political questions to tip the scales in favor of expediency rather than Jurists of repute.

NO. 20?

Well, I see where we had another drowning in the canal waters in the Glades area.

According to the figures, this makes 19 that have perished in this area this year, due to their car leaving the unprotected road and plunging into the canal waters.

It is getting so it is a dull month around here when no more than two or three cars are pulled out of the canal.

Some people may say, "So what, if they can't keep their cars on the road they have no business driving."

That alone is not the answer—it is already apparent that too many people are careless and do need added safety measures and protection, not only for their own sake, but for the safety and protection of others.

For a long time, too long, there has been a lot of talking about the road problem in the Glades, but for a long time, too long, there has been little or nothing done to solve this problem of safety on the highways in the Glades area.

You may not know or realize what this means to this community, but this is for sure—we are getting hurt and hurt badly. We are slowly but surely acquiring a reputation of being a very dangerous area to get to, let alone to live in. Proof of this was brought home to us this morning when a lady we were having coffee with remarked that she was intending to come to Belle Glade last Saturday, but it was late in the afternoon and she was afraid to drive to Belle Glade, except in the middle of the day.

Brother, that's something. People afraid to drive to the town you and I live in, except in broad day light.

Well, like we said, they pulled victim No. 29 from the canal water last week and about all we can add is, drive extra carefully when you come to or leave our area—you may be No. 30.

Gifts To Library

Two memorial gifts to the L. HOMES OF THE AMERICAN BIBLE SOCIETY, PRESIDENTS, By Cranston Jones, presents personal pictures of thirty-four presidents, have presented a copy of LAND- and illustrates their tale in SCAPES OF THE BIBLE to the Mount Vernon to Hyannis Port, collection, in memory of Mrs. stand out. The Orient Can Be Most Interesting

Two Belle Glade ladies, Ruth Wedgworth and Edith Freedlund were privileged to make a tour of the Orient this summer, and their reports of places visited, things seen and their observations, we believe, are very interesting reading. We offer the report, as of interest to teenagers, in school, to grown-ups for the observations on the life of the Orientals and descriptive report.

JAPAN

By Edith Freedlund

After dinner at the Gifu Hotel, we climbed down a steep embankment to a waiting boat where we had to take off our shoes, as there were mats on the bottom of the boat. The river was full of pleasure boats waiting for the commandant Fishing to begin. There were many natives in boats who had eaten their supper out on the water, and there was a large barge full of colorful dancing girls who performed as we were waiting. Fireworks were going off all around us, and our guide booked some for us to shoot. It was the only time on our trip that we saw any Oriental people laughing and acting as we would in the United States on a picnic or similar excursion. This form of fishing dates back 1,000 years. As it grew dark we could hear the shouts of the fishermen. There is a master fisherman, two oarsmen and a younger fisherman on each boat. There is a large basket in front of the boat with lighted nets in it. The fisherman pulls the nets with cords attached to rings around their necks are lowered into the water until all twelve of them are frantically searching for "Ayu," a delicious fresh water trout. The master fisherman holds all of the cords in his left hand while controlling them skillfully with his right. The cord around the bird's neck has to be tight enough to allow the smaller fish to slip down, because these little ones provides the bird's own food. They are amazingly efficient and catch one or two fish an hour. The fisherman draws him slowly back to the boat, opens up the long back, then painlessly squeezes about one and a half pounds of fish from the neck.

We went on that night to spend the night in Nagoya. Probably that was the most exhausting day we had. Our director told us that if we could last the first nine days of the Tour, we would be fine from then on. I had no idea, anyone had to walk so often and so far to visit Shrines, Temples, and Parks, but it was a rewarding experience. To see Japanese couples walking through lovely Parks just enjoying the scenery was a sight we would probably not see in America.

Again we went by train and motor coach to Ise, where we transferred to the ferry to Mikimoto Pearl Island, the famous place where cultured pearls are prepared. The girl divers wear short white uniforms with long sleeves and white turbans. Large wicker baskets float on the surface as the girls dive down for oysters, which grow wild on the bottom of the ocean. A girl learns to dive at a very early age, and when she is sixteen years old, is sent down the coast to Waga for training. Women make much better divers than men, and can go on doing this in some cases until they are seventy years old. Women can hold their breath longer than men and have an extra layer of fat under the skin. They work all year long, usually as a husband-and-wife team. She has a long rope attached to her waist and a 600 lb weight. Four or five knives are in her belt. Usually she works only four or five hours a day. For centuries people tried to improve on nature and make oysters produce perfect pearls, but all attempts failed until about sixty years ago. There are now 3,000 factories around the island of Ago Bay using the seedling process devised by Mikimoto in 1908 that turns out pearls by the million. We walked thru buildings of marvelous displays, and watched a girl open a two year old oyster about 2 1/2 inch and insert a piece of irritant, which is a piece of clam shell from the Mississippi river, and also a small piece of live membrane. The combination of these two produce a pearl within three to five years. Out in the bay were numerous anchored rafts that supported the pearl-oyster crop which are kept under the surface of the water. The odds are high that the oyster will not produce a perfect pearl. Many things can go wrong such as typhoons, parasites, and the red tide. About half of these oysters will produce pearls good enough to sell. The pearls must be harvested when the water is cold, or they will not have the desired silky sheen. We also saw girls sitting with bowls of assorted pearls before them, and as fast as the eye could move, they were sorting them as to color and size. There were hampers of discarded pearls of odd shapes and colors that they were told would be ground up for fertilizer. Other girls were drilling the holes in the pearls for necklaces. The floor of the island was solid oyster shells that were now soft as fine sandy gravel. There was a large statue of the originator of this island, Mikimoto. In a showcase was a picture of the replica of Mt. Vernon done completely in pearls. It was a present from the Emperor of Japan to one of our Presidents, and is in the Smithsonian Museum in Washington in a large glass case. Even the grass is made of pearls, and with windowsills touched with mother of pearl. Nicky told us, "Pearls are good or terrible."

From the window of the double-decker train we observed that over 60% of the crops were rice, so we saw some strawberries and other fruits and vegetables. In the rice fields, we would see both men and women working. They plant rice by hand under water, and the rows are absolutely straight, too it seems impossible. There would be bicycles parked nearby, and a few times we saw a baby carriage alone. Growing seaweed is an "almost indispensable" crop our guide told us. We were served pieces of green rubbery seaweed on the JAL plan with other snacks. Every house was in a small courtyard with trees and usually a fence. The houses were built at the base of the hills, as the flat low land was needed for farming.

UNCLE DAN from DOOLIE says:

Dear Mister Editor:

The way I got it sized up, the news last week about half good and half bad. That's mighty encouraging, shows the country was holding its own. Makes me recollect about the time the city feller got lost in the mountains. He stopped and asked a old mountaineer how far it was to town. The feller told him it was four miles. After wandering around a couple hours he stopped at another cabin and ask how far he was from town. "Four miles," the mountaineer told him. "Thank God," said the city feller, "I'm holding a steady course."

First off, my pamphlet from the U. S. Department of Agriculture advised that for the first time since that agency was founded in 1882 they wasn't taking no census this year of horses and mules in the nation. According to this notice, horses and mules was getting so few in number that it wasn't worth it to count 'em. That's both bad and sad, Mister Editor. It makes it official that we've come to the end of an era in our nation. From the days when wagon trains opened up the West to the morning Teddy Roosevelt fell off his mount and broke a ankle, horses and mules has figured big in American history. I have wrote to my Congressman and suggested they erect a monument to Old Dobbin and set it up inside the Lincoln Memorial.

And I was reading this piece in the papers where them boys on the good side, I see where a North Carolina Judge has allowed as how they was two places a man had no business wearing his shirt tail out, in church and in court. He threwed a feller in jail for two hours for appearing in his court with his shirt tail out. I ain't none what it all means but I keep reading things about the "dignity of man." I think this North Carolina Judge was putting in a good look for the cause.

And to cap off the week on an encouraging note, I see where the U. S. Public Health Department has made a grant of \$8,075 to some science feller to study how to eliminate the house fly. This is the first sensible appropriation to come out of Washington for the fiscal year.

Yours truly,
Uncle Dan

Too Late To Classify

By Russell Kay

In an election year politicians go stark, staring mad. They will tell you anything and promise anything to either get in office or stay in office.

Desperate for any argument that might bring in a vote they scream, yell and tear their hair with frantic appeals. They are for everything and against nothing, unless it happens to be the candidate that opposes them.

They love the old folks, God bless 'em, our noble senior citizens, makes no difference whether they live in a \$25,000 a year apartment or are begging a dime for a cup of coffee on sidewalk. They deserve anything we do for them and a lot more.

They love labor, provided it belongs to a union, whether it makes \$2 or \$10 an hour and want the working man to get a break. They sit proudly on the right hand of the labor boss and scream for justice and fair play. They smirk at the television cameras and yell into microphones to make their position clear.

They love America, the land of the free and the home of the brave. They wave the flag until their arms ache. They are for preparedness, for defense, for freedom and they will spend our dollars to the last penny to insure them. Our dollars, not theirs, and some of the candidates have plenty, so much in fact that they hire auditors to try to hide their wealth with mixed up figures and double talk.

They know all the answers and can iron out all difficulties whether they occur in Viet Nam, Cuba, Russia, Berlin, Darkest Africa or in outer space. All they ask is your cooperation and support, in short your vote. Give it and you can rest assured no matter what the cost they will pay the bill and gladly, with your money.

They love their children and yours and haven't a worry in the world about the burden they might place on them or what inflation will do to all of us as a result of their wild and reckless spending. They tell us the more we give, the more we get, the more we spend, the more we make and to hell with the cost of living and the day of reckoning. Who cares about children or our children's children. They can spend themselves into prosperity just like we did and laugh off the budget and national debt for what they really are, a lot of doggone hokey.

And the old folks, God bless them and the laborers, God help them, and all the rest, cheer themselves hoarse and throw all reason and common sense to the winds as they see only the personal benefits that might possibly come to them as a result of such a mad program.

Why can't we have freedom NOW? Why can't we have hospitalization, nursing homes and medical care, why can't we have shorter work weeks, higher pay and longer paid vacations? Why, can't we have all the blessings the good Lord intended us to have, why can't we have all of it NOW?

It is as simple as that, believe it or not! Stop screaming, we can have it all and NOW if we listen to our friendly candidate. We can have everything our hearts desire and two dollars besides. All we have to do is vote for the right candidate.

Why can't we have freedom NOW? Why can't we have hospitalization, nursing homes and medical care, why can't we have shorter work weeks, higher pay and longer paid vacations? Why, can't we have all the blessings the good Lord intended us to have, why can't we have all of it NOW?

Why can't we have freedom NOW? Why can't we have hospitalization, nursing homes and medical care, why can't we have shorter work weeks, higher pay and longer paid vacations? Why, can't we have all the blessings the good Lord intended us to have, why can't we have all of it NOW?

Why can't we have freedom NOW? Why can't we have hospitalization, nursing homes and medical care, why can't we have shorter work weeks, higher pay and longer paid vacations? Why, can't we have all the blessings the good Lord intended us to have, why can't we have all of it NOW?

In The Mailbag

Honorable Paul C. Rogers,
Room 111, House Office Bldg.,
Washington, D. C.

Dear Paul:

Your letter of July 17th was received while I was in the hospital. Had quite a time but thanks to good Doctors am O. K. again.

The only thing that worries me is the drift towards socialism, co-existence with Russia and of Cuba. Thank goodness we have you as the other members of the Florida delegation looking out for us and doing all you can. I still wonder what kind of a deal the late Kennedy made with Russia. And Johnson seems to go along with it. I took the enclosed piece from the Belle Glade Herald stating

File: PR-10

Many thanks for your letter of September 25th and I am certainly sorry to learn that you have been confined to the hospital. I sincerely hope you are fine now.

Thanks for the clipping from the Belle Glade Herald regarding the new silver dollars. I am immediately looking into this and will let you know as soon as a reply is received.

Looking forward to seeing you soon and with kind personal regards.

Sincerely yours,
Paul C. Rogers, M. C.

Mr. Luther Jones,
Belle Glade, Fla.
Dear Luke:

I sent the clipping from the Herald about the Government leaving off the new silver dollars. "In God We Trust."

What next?
Yours,
Sam

Mr. Luther Jones,
Belle Glade, Florida
Dear Mr. Jones:

Even though I only spent two very short years in your city, each week when I receive the Belle Glade Herald, pangs of nostalgia remind me of how wonderful those two years were.

This summer I was privileged to work in a girls' camp in North Carolina. A goodly number of our Belle Glade young people attended this camp, and the achievements and honors received by this talented, devoted, and "special" group made me practically "bust all my buttons." The parents of these girls have so much to be thankful and grateful for, and I am inclined to believe that the majority of the Belle Glade youth are as good as the above mentioned.

The fine people of Lake Harbor hold a special place in my heart as I recall my first year's teaching experience while living with the A. B. Mathis family. One student and faculty of Belle Glade High School was always near and dear to me. The wonderful folks at First Baptist and "special" group made special on my list. The townspeople have a type of friendliness and good will which one does not readily forget.

Thank you for "listening" to my feelings of the hour. Some day I hope to return to Belle Glade and again be able to associate with those I consider the greatest people on earth.

Sincerely,
Jan Bottoms

RAMS STING RIVIERA HORNETS

WRITTEN BY H. S. STUDENTS

OCT. 15, 1964 THE HERALD, Belle Glade, Florida Page 9

READ BY H. S. STUDENTS

Ram JV Stomps Stuart Tigers

The Ram J. V. team returned to their winning ways again last Thursday night by defeating Stuart 20-0.

The J. V.'s opened the scoring in the first period. The touchdown came on a spectacular 26 yard pass play from Johnny Williams to Scottie Markham. The extra point run was good.

Near the close of the second period, the Rams recovered a fumble on the Stuart 12-yard line. Four plays later, they scored on a pass from Johnny Williams to Zane Miller. The kick for the extra point was blocked.

The scoring was completed in the third period when Williams again threw to Markham for 23 yards and a touchdown. Jorge Rodriguez ran for the extra point.

Follies 1964

Gimme A Pop-Top

By Pat Fisher

The scene was a football game. It all started when I volunteered for "duty" in the concession stand. All of a sudden from nowhere, came a small fry yelling "Gimme me a top pop." After hesitating for some time I finally realized he was asking for a pop top soft drink in a can. I then proceeded to fill the order not imagining what was involved.

The problem arose when I was faced with the task of fishing the cans out of the icy water. Meanwhile this child blurted out "Will ya open it for me?" "Sure" why, this seemed easy enough. The fun began, however, when the top broke off and I still hadn't opened the can. When the half time came, things really began to hop, ex-ams.

Hornets Bow To Rams

The Golden Rams have finally put a tally in their win column by touting the Riviera Hornets by a 13 point margin in Hornet Stadium.

Led by Bucky Holt, John Lee Henderson, and Johnny Spooner, the Rams totaled 20 points.

Holt, backfield ace, led off the scoring with a six-yard plunge in the first quarter, after a 44-yard drive from the starting kickoff.

Johnny Spooner inherited a loose ball after Jimmy Johnson blocked a Riviera punt attempt and scampered 37 yards to tally.

John Lee Henderson, Ram tail-back, hauled 11 yards during the third quarter for the final six points.

The successful Ram conversion were run by Tony Latour and Bucky Holt.

Ball control by the Rams held Riviera to one touchdown and 92 yards rushing. Meanwhile, Belle Glade ran up 204 yards, led by Bucky Holt, with 73.

One Down and One To Go

John Lee Henderson races past the goal line with Hornets falling behind to the third TD.

Your Horoscope

LIBRA: September 24-October 23. Some danger of accidents this month. Social life is exciting and fun.

SCORPIO: October 24-November 22. Don't be taken in by new friends who may be secretly jealous of you.

SAGITTARIUS: November 23-December 21. Someone you have dated for a long time may become, suddenly, very important to you.

CAPRICORN: December 22-January 20. You may do so well at your job that you'll be promoted.

SAGITTARIUS: November 23-December 21. Give several parties which will bring new friends. Your health will improve.

PISCES: February 20-March 20. Start a creative new project. Be extra cautious when taking care of children.

ARIES: March 21-April 20. Be prepared for radical changes in your home life. It may mean a move.

TAURUS: April 21-May 21. You can count on making some savings if you're serious about your job.

GEMINI: May 22-June 21. Romance plays a powerful role in your life, but don't neglect family obligations.

CANCER: Your social life will boom this month. You'll be meeting new people, going new places.

Co-Editors Notes

We, the editors of the RAM-PAGE have decided to make the school paper more than just a history of last week's news. We, with the help of our fine staff and capable advisor, are striving to make the RAM-PAGE a truly fine representative of the creative talents of BGHS students.

Only with your help can we do this. We are asking for contributions from the student body in either the literary or artistic fields.

From those of you who might be talented in writing we are looking for poems, short stories, or sarcastic notes such as the one in the last week's RAM-PAGE called "Yes sir, She's Some Party Girl" by Mike Mikovsky.

If there are any artists in our midst, and I'm sure there are, since Mrs. Earwood's classes are always full, we are interested in timely cartoons or caricatures. For instance, if someone has an original idea for a Halloween cartoon, we are accepting these now.

Any works to be considered for printing should be in at least 10 days before it is to be run. Please remember that the RAM-PAGE can only use original works and for all other works, the originator must be given credit.

If you have contributions, see either of us or bring it to Mrs. LaFlam, in Room 155.

Your Editors, Mark & Irene

Rams Face Tigers From Clewiston

Belle Glade Memorial Field will be the scene of the fifth game of season for the Rams, matching them against the Clewiston Tigers.

Although Clewiston is no longer in the Suncoast Conference, a strong rivalry still exists between the two teams.

Clewiston has an undefeated record so far this year. They appear to have a strong line with no major weaknesses.

During the summer the Clewiston boys did exercises and weight lifting on their own to condition themselves for the upcoming season.

It was stated earlier in the season that Clewiston would be an easy victory for Belle Glade, but on the contrary, this game should prove to be a difficult contest.

Compository Man

Ears — Mrs. Earwood.
Nose — Miss Schwab.
Feet — Mrs. Litchfield.

The Campus Once-Over

By Lynda Long

'School has had a good start and now's the time to evaluate socials and fashions. Of course books and notebooks are a part of every student. But the jockers! Can we help it if we lost (?) our lock? Seniors are beginning to feel like seniors and juniors like juniors. Have fun Sophomores and Freshmen, while you can.

Some new styles in fashion — girls have flirty hair styles sometimes varied with a 'big bow or a small head band and misty make up. Suede is coming into the picture in jumpers with stiletto pockets and loafers. Boys have graduated from marmish browns, greens, and blues to bold, bright colors such as yellows, oranges, and golds with matching socks. Of course school would be school without a few madras outfits floating around once in awhile.

The weather is beginning to be cooler and long sleeves top the day as comfortable wear. Football jackets and athletic sweaters patriotize colors with bright blues and golds.

Dances have been full of fun packed times. Football games, a show, or just riding rounds in cars make the days drift by faster.

Eatin' is been pleasin' for seniors. Thanks to the faculty for this off-campus lunch privilege.

New teachers are beginning to translate students' names correctly. And we're learning how hard we must work under each of them.

Each year most of us move up one grade level. We're supposed to be a little more educated each time. Did you know that the smartest years in which a person lives is during his teens? TAKE HEED! We don't get smarter when we're older, gang. Study NOW or NEVER! We may become wiser from experience but what good are our own mistakes to ourselves.

Seniors and juniors, try the all "A" bit your last years. We might find our brains really work when exercised. Sophomores and freshmen use senior and junior mistakes as a guide. This is the last year of B. G. H. S. for some of us. Naturally, it will be a great one, socially and wisely!

Parents In School; Students Vacation

Parents and students are trading places tomorrow. While the parents attend the annual Parent Conference Day, students will be enjoying a holiday from classes.

Conference Day is scheduled for Friday, October 16, from 8:30 a. m. until 3:30 p. m. This day has been set aside to give parents an opportunity to consult teachers about their sons or daughters achievements in school.

Certain parents have been requested by teachers to attend. Various problems, such as grades or classroom conduct will be discussed. All parents are invited to confer with any of the teachers during the day.

Better relationship between parents and teachers help each to understand the students' problems and work for a solution that will enable the student to do his or her best work.

School will resume on Monday morning as usual.

Library Corner

BOOK OF THE WEEK — Moonfleet by J. Meade Falkner.

A suspense-filled mystery of an orphan boy who discovers the secret of the Malcom tombs.

NOTES New additions to the library are 175 processed and catalogued books plus a new 20 volume set of Encyclopedia International and a 10 volume set of the Book of Popular Science.

Sixty-five worn out books were returned from the bindery looking like new.

For the student's convenience, the library is open every week day from 8:00 to 3:45.

Mr. Evans Featured At Pep Club Dance

The Pep Club sock-hop held in the gym October 2 was destined to be a new first. Not only is Mr. John Evans guitarist and emcee for the band, which call themselves the AX-CENTS, but he is also teaching Biology here this year. Other members of the group are Jim Lowe, Lead Guitar, Ted Sheridan, Bass Guitar, and Lamar Williams, Drums.

The latest songs were played, to the enjoyment and delight of the students who crowded into the gym after the game with Lake Worth.

As you walked in the door, you were stamped with the word "TRUCK," but this didn't seem to bother anyone. Everyone was too interested in the band and dancing. Along the walls, football cut-outs with the boys' names and numbers were tacked up. On the stage musical notes danced merrily, but the real masterpiece hung on the back wall in big, bright letters:

"Ya-Hoo, Mountain Dew,"
It's Goooooood!!!
Gee, where did that come from????

Around The Campus

FAD — Throwing report cards away.

MOVIE — Carpetbaggers.

T. V. PROGRAM — The World Series.

BOOK — Tom Jones.

SONG — Tobacco Road.

CLASS — 2nd Period Physics.

CAR — VonCelle's Pontiac.

FLIRTS — George Hinton and Sharon Amodee.

CLOWNS — Duane Stokes and Judy Plank.

BEST DRESSED — Mark Bush and Karol Vadaz.

BEST LOOKING — Ronnie Guerry and Janet Holard.

HAIR — Lynn Conley and Janet Crichfield.

SNOWED IN — Beth McCulley and Don Varnell.

Seniors And Juniors Start Tests On Tues.

During the coming week certain groups of students will be involved in various testing programs. Each of them are given annually in the fall.

Nursing and Teaching Scholarships

The first of these is the State Department of Education Nursing and Teaching Scholarship Examination. The results of this test are used as a basis for granting scholarship loans for nursing and teaching professions.

The amount of these loans varies in proportion to the type of training. By practicing or teaching nursing in the state of Florida for several years, the loan may be cancelled.

Seniors and High School graduates are eligible to take the tests. To date, nine seniors have signed up — six for teaching and three for nursing. Those participating should be at the Palm Beach High School School Auditorium at 8:30 a. m. on October 20 with two sharpened pencils.

PSAT Preliminary Scholastic Aptitude Tests are to be given on

October 21 and 22, all seniors will take the Florida Statewide Twelfth Grade Testing Program (Senior Placement Test).

The highest possible grade on this test is 85. All Florida's state-supported schools require a grade of 300 or better on this test for entrance.

There are three parts to this test. The first is the Scholastic Aptitude Test, then an English test, and, thirdly, a three-part achievement test on social studies, natural science, and mathematics.

Coach Luke plans to have each senior in to talk about their test results and their plans in relation to college.

those interested juniors on October 20 in the cafeteria. It is recommended that all those who plan to go to college take this test if possible.

PSAT can be used to compare yourself with other juniors all over the country and by comparison with those who took this test and are now in college one can predict to a certain extent the likelihood of this or her success in college.

It is also very much like the Scholastic Aptitude Test (SAT) which many colleges require for admission, and thus can be used to plan early on whether to consider a college which requires the SAT for entrance. The experience of taking such a test is also worthwhile to those who will be taking such tests in the future.

A fee of 75c is charged by the company which gives the test and that fee is to be paid the morning that the test is given. Senior Placement Tests.

Do we really
need a
Medicare Tax
?

Health care
is now available
for "over 65's"
who cannot afford to pay

If you are over 65, facing medical expense and can't pay for it... It's yours for the asking, already provided for by law. The Kerr-Mills Act offers a Health Opportunity Program for the Elderly with the federal and state governments sharing the cost.

In most states this care is far, far greater than that offered by Medicare proposals... and no additional tax is necessary!

If you are elderly, and without funds for needed medical care, ask your doctor about the Health Opportunity Program for the Elderly, or call your local medical society.

SHOULD LAWS BE

ENFORCED AGAINST
LITERARY SMUT?

Lewis Llewellyn
"These filthy dreamers defile the flesh, despise dominion, and speak evil of dignities... But what they know naturally, as brute beasts, is those things they corrupt themselves."

Pornography is big business today.

With a dollar volume variously estimated at between a billion dollars a year, it is no longer a small operation.

Pornography is serious business, for it undermines the morals of our young people.

There have always been people who have taken pleasure in things which are destructive and degrading. But these people seem to be more numerous now and they seem to feel less need of concealing their operations.

In fact, one of the most disturbing aspects of the problem of pornography and filthy literature is that respected businessmen have been drawn into the business, in some instances.

The destructiveness of indecent literature is generally recognized, yet people are sitting by with their hands folded, while the laws against obscene literature are being openly and flagrantly violated.

Is it more important to enforce the traffic laws than the laws which are designed to protect the morality of our young people? A few months ago, in a speech delivered to an audience which included many young people, "If we Americans ever suffer a humiliating national defeat, it will not be from outward force but from inward weakness and corruption. No nation can be outwardly strong whose heart is rotten. Our ultimate hope lies not in military might... but in moral soundness."

The Bible describes the fate of those who are careless of moral and spiritual values. Of one such group of people, it tells us, "Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves... but in moral soundness."

There are laws to protect our society against the peddlers of smut and literary garbage. Why aren't they enforced?

Care For Children Solved For Many With Re-Opening Of Wee Care Center

There is one business in Belle Glade that is blessed with plenty of customers these days, but the operating cash is a little bit low.

The Salvation Army Wee Care Center on Tenth St. S. W. in Belle Glade opened Sept. 21 for its second season of operation. At present there are 29 registered in the "kindergarten" class. The center, with staff of 10 working in two shifts, will care for 100 small children of working negro parents at the height of the season. They will open at 5:30 a. m. and close at 8 p. m. The children are watched over, taught, supervised and fed from one to three times a day, till their parents pick them up in the afternoon or early

evening.

Organized and built in 1963, the center opened in April of this year and has operated very successfully for one quarter as a place where negro parents can take their small children for safe keeping and care during the working hours.

It is a self-help project and a small fee of 50c to \$2.00 is charged each family, depending on number of children and hours spent at center, for services rendered.

Mrs. Ann Rutledge, a graduate of Florida A and M at Tallahassee is the supervisor in charge of the center and is responsible for the staff of 10.

Mrs. V. J. Byrd is the kindergarten teacher. She graduated

from Edward Waters in Jacksonville. At present there are 29 in her class, but this figure is expected to climb past 45 by Oct. 15th, and will hold till about Feb. 15th, when it will slack off from that time till the center closes, some time in June.

Working parents start bringing their children to the center as early as 5:30 a. m. in the morning and some do not return till 7:30 or 8 p. m. However most of the children arrive between 7 and 8 a. m. and a number leave in the afternoon. During their stay at the center the children are served breakfast at 7:30, lunch at 11:30, a snack at 2:45 and for those who leave late, a snack at 6 p. m.

Children old enough attend the kindergarten class and are taught as in any school. Toddlers are allowed the freedom of the spacious room reserved for children of this age and are under the supervision of Mrs. J. R. Williams who passes out toys and sees to it that each child is kept happy and contented.

Mrs. Myrtle Major and Mrs. M. Harvey are in charge of the large nursery where the real small folks are kept in cribs. They too have toys and attention needed every minute of their stay.

A cook, Mrs. B. Smith, works 3 days a week. The afternoon shift has Mrs. D. Harper in charge of the kindergarten class. Mrs. B. J. Gray in charge of the Toddlers while Mrs. K. F. Newkirk takes care of the nursery. A utility worker, Mrs. G. Holms works from 10 a. m. to 6 p. m.

Besides feeding and teaching, the center offers supervised play periods, and a supervised rest period. This rest period starts right after lunch, when all the children are required to take a nap. Cots and cribs are available for this purpose.

Wee Care Day Center operated by the Salvation Army is starting its second season of operation.

Taking care of the small children of working parents.

Mrs. V. J. Byrd the kindergarten teacher supervises the youngsters during the play period.

Here they are playing "Ring around the Rosy."

The services offered to those negro parents of the area who need some place or some one to care for their children while they work, is something that the Negro and white community has been working on for 10 years, according to W. C. Taylor, local funeral director, who is chairman of the Board of Directors of the Wee Care Center.

The land was purchased from funds raised by donations, of which two thirds was from the

negro community. The building was erected in 1963 and opened in April 21st of this year. The center operated from that time till June 20th. It is planned that the center will be in operation for about 9 months of the year, Sept. 20th to about June 15th. This is during the harvesting season in the Glades when labor is in big demand.

According to Taylor it takes about \$8,585 to operate the center for one quarter (3 months). Of this amount, fees from the parents bring in about one half and the rest is from donations from interested persons, colored and white, who know of the urgent need for the center and the services it offers.

Operation capital of the center is below needs right now

and according to Taylor, something will have to be done to ease the situation in the near future.

Lake School High Is Grateful

As principal of Lake Shore High School, I am sure that I am expressing the sentiments of all members of this school family when I say we are grateful for the opportunity to have this page in the Belle Glade Herald each week.

We are well aware of the additional time, expense, materials, and effort required of those of the Herald's staff, especially in the part of Mr. Luther Jones, Publisher, and Mrs. Mathewson, Editor. For this we are grateful.

Meeting deadlines, getting the story, and making copy ready for print are tremendous tasks.

Just For The Record

By Gloria Poole and Helen Jordan

Studying:

In order for students to get the most out of studying, they must be comfortable to do so. This includes having convenient equipment. A desk and a chair should be prepared for this purpose. If not, a desk and chair, there should be some sort of privacy, where there is comfort. Articles such as books, pencils, pens, papers, a typewriter or any items that are to be used during this study period should be placed together to avoid any possible interference while studying. One's mind should be ready for studying.

Note of importance: You can't study and snack at the same time. Students who have the habit of eating should refrain from such because the eating interest crowds the interest of study.

School Appearance:

Let's find out what's "out" and what's "in" for this school term:

Girls:

Go easy on the make-up, please. Overdone make-up is absolutely "out."

Jingle-jangle jewelry is "out." Torn stockings are "out," but clean socks and loafers instead are "in."

Who needs to say it? Shorts, culottes, and slacks are the "outs" of "out" on the school grounds at anytime.

Short, short too tight skirts are definitely out, but knee-length skirts are "in."

Remember that blending colors are positively in. Please, no

Cheerleader's Tune - Up

By Celeste Hollingsworth V-C-T-O-R-Y

Victory! Victory is ours cry!

This year has begun in a S. H. cheerleaders are striving hard to lead our boys to victory.

Our pep rallies have been full of pep and vitality. That Lake Shore spirit has really filled the air and led our boys to three victories. Let's show our spirit on October 22, 1964 when the cheerleaders present a pep rally to make something reach the spirit line.

This year can be one of the best, but we need your support, spirit, and loyalty. The cheerleaders hope to lead our boys to victory in all aspects of sports this year. Come on, help us tell the world that we are going to F-I-G-H-T

Fight, fight, fight for victory! We would like to thank you of you for your cooperation in attending our hops after the games.

The varsity squad consists of senior and ten juniors.

Senior Varsity:

Hollingsworth, Celeste, Senior, Captain; West, Evelyn, Junior, Co-captain; Davis, Pearl, Junior, Kyles, Louise, Junior, Denny, Lois, Junior, Andrews, Barbara, Junior, Hollaway, Christine, Junior; Moreland, Annie, Lois, Sophomore.

Junior Varsity:

Hammond, Patricia, Junior, Captain; Lidson, Meriam, Junior; Jenkins, Ross, Junior; Mathewson, Heather, Junior; Perry, Ira, Dean, Sophomore; Williams, Linda, Sophomore; West, Mary, Freshman.

Bobcat Recognition

Each week boys are recognized for their contributions toward the success of the "Bobcats" during actual play of the games scheduled for this season.

They are recognized by being saluted as players of the week. This week the boys receiving recognition are as follows:

Joe Sheely—Back of the week

Alfred Ryles—End of the week

Luther Glaze—Linebacker of the week

Artist West—Defensive Safety of the week

Charles Haynes—Quarterback of the week.

The job of assisting students in this task falls mainly to Mrs. Mary T. Harden who heads our English Department, and Mr. Roy Simpson, who is in charge of Student Publications. We owe these students and teachers a vote of appreciation for having the courage to undertake this worthwhile task.

What is begun here today offers many wonderful opportunities to our students, to our school, and to the communities which the school serves. We at Lake Shore are determined to take advantage of these opportunities.

polka dots with plaids and no plaids with stripes.

If the wind catches your wrap-around skirts, girls, it will be out, but if you can keep it under control, it's "in."

Shirt tails that hang out are "out," but those that are neatly tucked are "in."

You are not going to get away with anything that girls can't, so shorts are definitely out.

Plaids belts with striped shirts or with polka dots are definitely "out."

Payments for the yearbook are being accepted now by Mr. Singleton. The deadline for payments is November 16, 1964.

Let's make this one the best yearbook yet!

THOUGHT FOR THE WEEK

There are three kinds of people. Those who make things happen, those who watch things happen and those who have no idea what happens.

Mimi's Column

As most of you have been busy adjusting to school life after a long summer and really tackling your studies, as I thought I might have not had time to find out what's happening in people's lives, but I can tell you confidentially that last week was "The week that was."

I have been investigating and I find these were the most noticeable of the week.

Subject—English Teacher—Mrs. Mary Hardin Class—Seniors

T. V. Movie—"Peyton Place"

Colors—"Black and White"

Most Studious—"Dorothene Brown and James Harris"

Most Talkative—"Mary Rogers and Nathaniel Holloway"

Best Dressed Girl—"Bertha Lawson."

Principal—"Mr. Chas. McCurdy"

This week, I will commend to snore. If I catch you asleep, you may regret it.

Chorus Notes

The Lake Shore High Chorus under the dynamic leadership of Mr. J. Crews, director for three years, has been in rehearsal every day since the opening of school.

Several public appearances of the group have been scheduled for the fall and spring semesters.

Among these are the annual chorus festivals, the Christmas Pageant and the spring concert.

The repertoire of the chorus will consist of a variety of types and works of the Baroque, Classical, Renaissance, and Modern Periods.

The Officers of the chorus are: Janie Thomas, President; De-

LSH Plans

Bigger And Better '64-65 Yearbook

The entire family of Lake Shore High School was indeed proud of its 1964 edition of the school yearbook, "The Bobcat." It is expected that this year's yearbook will be an even bigger and better one.

Miss Jacquelyn Chapman, Mrs. M. T. Harden, and R. Singleton Jr., are faculty sponsors of the '65 "Bobcat." The officers are Mary Foulkes, editor-in-chief; Nathaniel Holloway, assistant editor; James Brown and Emma Davis, layout editors; Dorothene Brown, advertising manager; James Harris, business manager. Other members of the staff are Evelyn West, Eloise West, Elizabeth Stewart, Robert Walker, Bertha Thomas, Novella Manley, Daphne Adams and Gloria Poole.

Payments for the yearbook are being accepted now by Mr. Singleton. The deadline for payments is November 16, 1964.

Let's make this one the best yearbook yet!

Curriculum Includes D. C. T. Program

The Lake Shore High School's Diversified Cooperative Training Program is in operation again.

The purpose of the D. C. T. program is to provide both general and vocational education for youth so that they may become economic assets and good citizens in the community.

The D. C. T., Diversified Cooperative Training Program, provides youth with occupational training under actual working conditions. It allows one to gain work experiences and graduate at the proper time. It helps one bridge the gap between school life and the world of work. It assists one in developing desirable personal and social traits, habits and attitudes.

There are nineteen students in the class who are planning many activities for the current school year. Nine students have been placed on the scene this year. Each student is required to save ten percent of his earnings. Members elected the following persons as officers:

President, Chester Kearsy; Vice President, Milton Critchfield; Secretary, Gloria Church; Treasurer, Jennette Smalls; Reporter, Juanita McKenzie; Parliamentarian, Chester Ellison; Historian, Ann Rogers.

Mr. Garvin A. Mack is in charge of the program.

Little Theatre Organized

Everyone is certainly glad to hear that the group of the pianist who produced "Dr. Hudson," "Secret Journal" and "East Lynne" are back on the scene this year.

A most enthusiastic group of trouper members met recently for the purpose of electing officers and reviewing plans. The officers for the 1964-65 school year are:

Nathaniel Holloway, President; James Brown, Vice President; Ross Jenkins, Secretary; James Harris, Treasurer; Bertha Thomas, Reporter; Juanita McKenzie, Parliamentarian; Chester Ellison, Historian; Ann Rogers, Secretary.

Mr. Garvin A. Mack is in charge of the program.

Seniors of '64-'65

By Elizabeth Stewart and Johnny Webb

The seniors of the '64-'65 school year have the characteristics of future leaders. We have good school spirit, good moral and ethical standards, intelligence, and that walk of pride and decorum.

We have adopted as our theme: "We strive for excellence," which we are trying very hard to accomplish. We will never rest until good becomes better, and better becomes best. Then we will have met the requirements to succeed and face life as it exists.

The Senior Class officers are: President—Willie Benjamin; Vice President—Lamar Mullins.

Secretary—Dorothy Gay; Assistant Secretary—Mary Ann Smith.

Parliamentarian—Johnny Webb; Business Manager—Cleo Sears; Student Council Representative—Lamar Mullins.

Reporters—Bertha Lawson, James Brown; Red Cross Representative—Elizabeth Stewart.

Sponsors—Mr. J. Smith, Mr. T. Eiland.

Jones McClain, Vice President; Dorothy Gay, secretary; and Laurita Mack, treasurer.

Mary Ann Smith

Coming Attractions

Student of the week . . .

This column will feature the most outstanding student of the week. All suggestions for this coveted honor should be turned in to your student council representative. All suggestions for nominees should be in by Friday afternoons.

Dear Granny . . .

This column will deal with the problems of students. All problems are to be placed in a box at the intersection near the senior girls locker room. The solutions to all problems will appear in the following edition of our weekly paper. All problems should be in by Friday afternoons.

What's Happening In Student Council?

October twenty-third at 4:30 our Homecoming parade takes place. All organizations, schools, classes, and businesses are invited to enter cars or floats with the permission of the Student Council. Friday evening at 8:15 p.m. is the time of the kickoff for the big Homecoming football game, which is destined to be won by the Bobcats. After the big football game, there will be a victory dance in the gym.

The Student Council is also planning its annual induction ceremony for Friday, October 8, 1964.

These are only two of our major projects. Any suggestions for future projects or any problems students may have are to be turned in to the Homecoming Student Council representative. All problems will be analyzed for a possible answer.

Remember that the Student Council represents the students of Lake Shore High. Without the students, there could be no student council, and without their cooperation it could not function effectively.

—Dorothene Brown

Help Clean Up Belle Glade

By Dorothy Gay

Many of the youth of today are faced with no problem of securing an education. I sometimes wonder if all young people face the same problem. To answer is hard because first, an education will have to become a reality and necessity to all young people.

We, youth of today, are America's natural resource. The strength of America tomorrow will depend upon us.

Each of us is endowed with certain abilities. We often forget these abilities by not trying hard enough to find them. To try and then stop trying is to lose. Try, try, try, and try again is the mark of success.

Today, education is of utmost importance. Many jobs that our ancestors and parents, perhaps with limited knowledge, held are no longer available because of automation. Today and tomorrow, rapid progress is being made by the skilled and learned.

"Tomorrow never comes for the procrastinators; therefore prepare today for a new tomorrow."

—Helen Jordan

—Helen Jordan

Bobcats Win 3 Out of 4 Games

Football Review

The growing Bobcats of Lake Shore High School have been in a battle four times to defend the honor of the purple and gold.

The Fighting Bobcats are under the leadership of a new coaching staff.

Head Coach—Willie Eiland; Assistant Coach—Alonso Vereen.

Line Coach—John Denon; Assistant Backfield Coach—Willie Charles McDonald.

Graduate of Lake Shore High School, Willie Benjamin, Captain of the Fighting Bobcats, as follows: Willie Benjamin, Cleo Sears, Artis West, Lee Luther Glaze.

Here are some highlights of the past football games.

The Bobcats defeated Dunbar 16-15. Touchdowns were made by fullback, Cleo Sears and end,

Help Clean Up Belle Glade

By Dorothy Gay

Many of the youth of today are faced with no problem of securing an education. I sometimes wonder if all young people face the same problem. To answer is hard because first, an education will have to become a reality and necessity to all young people.

We, youth of today, are America's natural resource. The strength of America tomorrow will depend upon us.

Each of us is endowed with certain abilities. We often forget these abilities by not trying hard enough to find them. To try and then stop trying is to lose. Try, try, try, and try again is the mark of success.

Today, education is of utmost importance. Many jobs that our ancestors and parents, perhaps with limited knowledge, held are no longer available because of automation. Today and tomorrow, rapid progress is being made by the skilled and learned.

Here's the right Du Pont fungicide to apply on Florida vegetables for dependable disease control

The Du Pont Vegetable Spray Guide below shows you the right spray materials and proper application rates for best disease control on major Florida vegetables. All Du Pont fungicides listed are fully registered. Each has a long record of success in helping Florida growers increase yields and raise profits.

Crop and Disease	Material	Rate	When and How Often to Spray
TOMATOES Late Blight Early Blight Gray Leaf Spot Sclerotinia Belly Rot (Gray Mold)	(MANZATE D) (MANZATE) (PARZATE C) (FERMATE) (TILATE)	1 1/2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals. 2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals.	As plants are set in fields and continue every 7-10 days. Start when plants are set and when disease threatens. Spray every 3-5 days.
POTATOES Late Blight Early Blight	(MANZATE D) (MANZATE) (PARZATE C)	1-2 lbs. per acre 1 1/2 lbs. per 100 gals.	When plants are 2-6 in. high. Spray every 5-10 days when disease threatens.
CELERY Late Blight Early Blight Late Blight Rhizoctonia (in celery plant beds and field)	(MANZATE D) (MANZATE) (PARZATE C) (TILATE) (FERMATE) (ZERATE)	1 1/2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals. 1 lb. each per 100 gals.	When plants are established in the field. Spray weekly under average conditions — when severe every 3-5 days. When plants emerge — continue in the field. Spray every 3 days, more often if necessary. In plantbed. Spray every 7 days. Severe conditions every 3-5 days.
BEANS Buck Anthracnose Downy Mildew	(MANZATE) (PARZATE C) (PARZATE C) (MANZATE D) (MANZATE) (PARZATE C)	40 lbs. per acre 1 1/2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals.	When small. Spray every 5-7 days. When disease threatens. Spray every 4-7 days. When disease threatens. Spray every 4-7 days.
CUCURBITS Anthracnose Downy Mildew Leaf Spot Other Leaf Diseases (except Powdery Mildew)	(MANZATE D) (MANZATE) (PARZATE C) (PARZATE C)	1 1/2 lbs. per 100 gals. 1 1/2 lbs. per 100 gals.	Soon as plants begin to run or when diseases threaten. Spray every 7-10 days. Soon as plants appear above ground. Spray every 3-5 days, under severe conditions.
PEPPERS Anthracnose Frog-eye Spot	(MANZATE D) (MANZATE) (PARZATE C)	2 lbs. per 100 gals.	When disease threatens. Spray every 7-10 days. When disease threatens. Spray every 7-10 days.
WATERMELONS Downy Mildew Anthracnose Cercospora Leaf Spot Gummy Stem Blight	(MANZATE D) (MANZATE) (PARZATE C)	1 1/2 lbs. per 100 gals.	Soon as plants begin to run — or when disease threatens. Spray every 7-10 days — severe conditions every 3-5 days.
SWEET CORN Helminthosporium Leaf Blights	(MANZATE D) (MANZATE) (PARZATE C)	1 1/2 lbs. per 100 gals.	When 6 inches tall. Spray every 7-10 days. Severe conditions, twice a week while disease is present.
CABBAGE Alternaria Leaf Spot Downy Mildew	(MANZATE D) (MANZATE)	1 1/2 lbs. per 100 gals. Apply up to 100 gals. per acre.	As plants are set and when disease threatens. Spray weekly. Severe conditions, every 3-5 days.

REMEMBER...THE BEST DISEASE PROTECTION PAYS OFF!

Here's how to increase vegetable yields with Du Pont NU GREEN — the ideal supplemental nitrogen

"Nu Green" is 45% nitrogen from urea that resists leaching and provides the long-lasting source of nitrogen that vegetables need. Below is your guide to applying "Nu Green" for best results.

CONCENTRATION OF "NU GREEN" IN FOLIAGE SPRAYS

Lbs. "Nu Green" per 100 gals.	Crops
4 to 5	Tomatoes, cucumbers, cabbage, cauliflower, celery, lettuce, peppers, snap beans, sweet corn, strawberries
5 to 10	Sweet potatoes
15	Potatoes
20	Carrots, parsley

CONCENTRATION OF "NU GREEN" FOR IRRIGATION AND TOP DRESSING

From 80 to 160 pounds of "Nu Green" per acre are recommended for top-dressing vegetables — applied through irrigation water, or in ground or air equipment.

Pounds of "Nu Green"	Number of Bags of "Nu Green"	Pounds of Nitrogen
40	1 1/2	18
80	3	36
120	4 1/2	54
160	6	72

REMEMBER...FEEDING SUPPLEMENTAL NITROGEN WITH "NU GREEN" PAYS OFF!

Better Things for Better Living...through Chemistry

Clip out this guide or pick up a copy from your local dealer. Post it as a handy reference to the best in disease control for your vegetables and the feeding of supplemental nitrogen. For more specific information, consult your Du Pont dealer.
